

The Harbor Consulting Group

Serving people and organizations to reach their potential

Scott R. Peterson, C.P.A., C.I.A., M.B.A. President

Scott is President of Harbor Group and Chief Financial Officer of the Interstates Companies. He has over 15 years of accounting and management experience with KPMG Peat Marwick, Meyer Machine, Valero Energy and the Interstates companies.

He has led several important strategic initiatives within the operating units of the Harbor Group, including the split-off and reorganization for the Interstates Companies. He has led the merger of a new business unit as well as various other ownership transitions. He has co-led the formation of a consulting business unit within the Harbor Group, and co-led the creation of a new strategic methodology process. Scott has also mastered the design and implementation of the Balanced Scorecard process within the Harbor business units.

Scott has extensive experience in both running and building businesses. He has expertise in developing and growing client, vendor, and business partner relationships. He has a great passion for developing, coaching, and mentoring servant leaders and great business team members within the Harbor Group and its business units. Scott has taken a proactive lead in the development of financial, accounting, and information technology teams. He believes in the importance of offering guidance and providing accountability to team members and business units, and in developing and casting the envisioned future for the Harbor Group.

Scott is a member of Construction Financial Management Association, the Institute of Internal Auditors, and the National Association of Corporate Directors. Scott is also a licensed Certified Public Accountant and Certified Internal Auditor.

Scott received his MBA from the University of South Dakota. He also holds a Bachelor of Science degree in Accounting from the University of South Dakota in Vermilion, SD.
